

Chalet Zamaro

Sunny ski-in, ski-out chalet for 12 with fabulous views

Ski back to your door when you and your friends stay at this cosy La Clusaz chalet for 12

Chalet Zamaro

This contemporary terraced property next to the piste in La Clusaz sleeps up to 12 people in six bedrooms with three bathrooms.

This sunny, south-facing chalet with fabulous views of the Beaugard plateau is just 3km from La Clusaz, and less than 200m from La Ruade piste - experienced skiers can ski into the town in winter, while in the summer, it's a lovely downhill walk.

Accommodation is set over four floors, and the top floor, with twin bedrooms under the eaves and a separate TV room, is an ideal place for older children to make their own.

The chalet has a wonderfully sunny terrace at the front, and at the rear, there's another sheltered terrace in the garden, which backs on to woods. We think it's a great choice for two or three families who want to make the most of their time in the mountains.
